

# SORRELL COLLEGE OF BUSINESS

**Mission of the Sorrell College of Business:**

*The Sorrell College of Business (SCOB) prepares a diverse student body, drawn primarily from Alabama and surrounding states, to become successful, ethical and engaged business professionals with the knowledge to compete in the global business environment.*

*To achieve this our faculty, staff and administration:*

- Provide quality undergraduate and graduate education in global business through high-quality Teaching in-class and online;
- Serve the University and Engage with business and professional communities in our primary service area through individual involvement and our centers for research and outreach;
- Grow and enhance the long-standing “culture of Caring” for our traditional, nontraditional, military, and international students; and
- Contribute to the creation of knowledge, with a focus on the Scholarship of application and integration, and teaching and learning, complemented by basic and discovery scholarship in select disciplines.

**Vision of the Sorrell College of Business:**

The Sorrell College of Business strives to be a renowned teaching-focused business college graduating GEEKS ready to succeed in business and life.

- G = Globally aware
- E = Engaged with the business community
- E = Ethical decision makers
- K = Knowledgeable to compete
- S = Successful

courses, students not obtaining unconditional admission status will be dropped from the program for one calendar year, after which time reapplication is required with all applications for the program and this letter as well as his/her written and oral communication skills.

#### **No Admission**

Students who are not admitted to the program will not be eligible for admission into the program.

#### **Temporary Admission**

Students will not be allowed to register for any 6000 level courses until temporary admission is cleared. The student will be allowed to take only undergraduate prerequisite courses.

#### **Transfer Credit**

Transfer credit will be granted for courses completed at other institutions that are comparable to Troy University courses. The course description is evaluated and the course can be transferred into the program only if it is comparable to a Troy University course and approved by the appropriate graduate business faculty or administrator. These courses must be comparable in catalog description, level, and content to Troy University courses. If the course is not comparable to a Troy University course, then the transfer credit request will be denied.

*\*Note: For international students, the business degree is to be awarded by an institution granted license to offer business degrees in their country of origin by the appropriate government agency or ministry.*

#### **Degree Requirements**

Successful completion of the courses listed below with an overall grade point average of 2.0 or higher is required for graduation. If a student fails a required course, the course may be retaken, or another elective taken in

**Business Foundation Prerequisite**

Candidates for admission who have not earned an undergraduate business degree from a regionally accredited business school
